they say they're right, but deep down I know that they are wrong
so I gotta stay strong and keep holding on

the pressure never ends ...O God..

cause it's in my own hands to shape my own fate

I know You're always there, I know You've always cared
cause I can feel that there is hope but my vision is impaired
by the clouds that have found me as darkness surrounds me

From a quote of Abdu'l-Baha:

"What a power is love! It is the most wonderful, the greatest of all living powers. Love gives life to the lifeless. Love lights a flame in the heart that is cold. Love brings hope to the hopeless and gladdens the hearts of the sorrowful. In the world of existence there is indeed no greater power than the power of love."
